

Welcome to the Barn!

The Barn Theatre is located on the south end of Port Sanilac on M-25, on the grounds of the Sanilac County Historical Museum. The Barn was built approximately 1½ centuries ago and is historically accurate; meaning it is without inside plumbing. *(Don't fret, facilities are just outside the building).* The Barn Theatre started in 1980 with just one show, and now in it's 32nd season, we produce seven full length shows, one concert, and one musical. There is always something new at the Barn. If you've never been, what are you waiting for?

The Barn Theatre is a come as you are kind of theatre. The dress code is "comfortable", after all it is a barn. We have something for everyone. Several of our shows are great for the entire family and some of them are for the older kids and adults who want a fun evening out. We specialize in comedies and our forte is the always popular Farce. We pride ourselves on producing quality theatre on a shoestring budget, that is why we can keep our ticket price so low. We are also able to keep the ticket price lower because many of the businesses in our area support us by advertising in our program and on our curtain. We thank them for supporting community arts, and ask you to do the same. *(Don't forget to mention their ad when you visit them!)*
